JERAN URBAN, SA

jeran.urban@gmail.com

Technical Skills

Natural, HTML, JavaScript, React, CSS, MySQL, NodeJS, Bootstrap, jQuery, Django, CMS, Python, WPF, WinForm, SwaggerUI, Visual Studio, Git, TFS, SQL, C#, .NetFramework, .NetCore, Angular 2+, Bitbucket, 508, WCAG, Fortify, Terraform, NuGet, NPM, WebApi, Unit Testing, Azure, and AWS.

Experience

Junior Developer –Remote Work   2019—Current

GovernmentCIO –Austin, Texas

- Worked with DevOps to migrate apps from TFS to GIT and set up automated build pipelines.
- Worked with Cloud Infrastructure Operations using Terraform to set up cloud environments and VMs.
- Created and maintained documentation for a variety of subjects, including: the migration process from TFS to GIT, Terraform implementation, update risks for .Net frameworks, content security policies, WebApi set-up, creating multi-project solution templates for Visual Studio, and various other subjects.
- Built an Angular 2+ app with a NodeJS proxy server to an external WebApi service.
- Built a NuGet package dependency analyzer for .Net projects (all types) that shows all top-level and transitive dependencies in a visual tree, comparing information from nuget.org's API and existing artifact repos for the purpose of automating security concerns, handling and processing new packages, and adding a fail-safe layer to the build pipeline.
- Built a Health Checks app for the purpose of continuously monitoring up-time and general health of apps.

Freelance Developer -Austin, Texas   2017—2019

- Developed and maintained multiple sites, including re-platforming sites both to and from CMS and basic static sites.
- Implemented Branding, SEO, Ecommerce, WCAG standards, CMS, Optimization, and general coding standards and best practices.

Business Processor   2017—2019

Service Group –Austin, Texas

- Worked as a front-end user on an AS400 Mainframe Emulator to input contracts for vehicle insurance and used diagnostic skills and system knowledge to diagnose and communicate errors to the development staff, while communicating state and company standards to staff, vendors, and customers to fix issues as needed.
- Spearheaded the systematic transition from one underwriting company to another with all in-house guaranteed asset protection products between the development, management, and processing teams.

Web Developer Agent   2016—2017

Site 5 Web Hosting – Austin, Texas

- Troubleshot issues with DNS paths and CMS for various types of sites, including WordPress, Joomla, Drupal, HTML, .Net, and Django based sites.
- Used bash/command line to diagnose and fix issues with .htaccess files, immutable files, email, and other security issues that each supported brand used, including Host Gator, Site 5, and Arvixe.

Software Developer Trainee   2016

The University of Texas at Austin – Austin, Texas

- Developed websites using Natural, Python, Django, HTML, CSS, red-light/green-light testing, and unit testing to accomplish the needs of the university.
- Maintained coding standards and best practices to ensure the safety of data manipulation on the mainframe as well as the firewall protections of the university.
- Scheduled meetings to include analysts from multiple departments for code reviews and analyses to ensure the standards of the university were met.

Management Experience

Manager   2014—2016

Freddy's / Chipotle – Pflugerville / Round Rock, Texas

- Increased sales by instituting community events, fundraisers, discounts and catering for schools and local businesses; grassroots campaigned for newer stores; coordinated an educational class for managers; and developed and maintained a rewards program to increase employee satisfaction.
- Supervised 25-30 people to deliver quality products to customers.

Education

- **Full Stack Web Development Certification**: Web Development   2017
  The University of Texas at Austin's UT Coding Boot Camp - Austin, Texas
- **Bachelor of Science**: Criminal Justice   2015
  Texas Statue University – San Marcos, Texas

Certifications

- **Scaled Agile Framework (SAFe)**: SAFe* 4 Agilist   2019
  Certificate ID: 40268329-1768
